

Roberts Primary School

Our Behaviour and Discipline Policy for Reception

At Roberts Primary School we expect and encourage good behaviour and self-discipline from all pupils in order to provide a happy and safe environment in which children and staff are encouraged to develop to their full potential. Good behaviour and discipline are essential to successful teaching and learning. They are also important pre-requisites for maintaining the friendly atmosphere which is remarked upon by all visitors to the school.

We all need to play our part in making our school happy, safe and successful. In order to be able to do these things successfully, children at Roberts need to live and learn 7 behaviours:

- Respect; looking out for each other and our environment.
- Cooperation; working together.
- Reasoning; being able to work things out.
- Communication; explain their thinking to others.
- Resilience; not giving up when the going gets tough.
- Curious; asking questions and investigating further.
- Reflect; thinking about and learning from successes and failures.

Going for Gold:

All children's names/pictures are kept on a board. Staff will move children around the board depending on their behaviours.

- **Marvellous Monkeys (Gold Behaviour)** = following the school rules, in an exemplary manner, 'Going for Gold'.
- **Right Rhinos (Green Behaviour)** = following the school rules.
- **Look Out Lions (Amber Behaviour)** = reflection time.
- **Sad Snakes (Red Behaviour)** = not following one or more of the school rules. Parents will be informed at this stage.

All children start each session in the Green Zone as "Right Rhinos".

If a child behaves inappropriately, they are given a verbal reminder about their behaviour.

If a child then continues, they are given a positive statement to correct their behaviour and are moved to Amber/"Lookout Lions".

If the child still continues to misbehave, they are moved into the Red Zone/"Sad Snakes" and they go and have time out in their classroom. When behaviour is appropriate, children once again move into the Green Zone/"Right Rhinos".

For good behaviour, children are moved onto "Marvellous Monkeys" and receive a sticker on the class chart. When a child has completed a line of stickers, they receive a small, reward from Mrs Hunt or Mr Hughes. An end of term treat will be awarded to children who are consistently in the "Marvellous Monkeys" zone.

If a child has been in the Red Zone/"Sad Snakes", these are recorded in the "Going for Gold" book straight away and parents/carers are informed. If the child is moved into Red Zone/"Sad Snakes", senior leadership will become involved and further contact with parents will be made to discuss behaviour.

A full version of the Behaviour and Discipline policy can be found at www.robertsprimary.org.uk
or a copy can be requested from the school office.
